The 2025-2026 IDT Team Placement Masterclass is a one-time (90 min) class taught by an industry professional/IDT Team Director. After film review by the Studio Owner and Team Directors, each dancer will receive an invitation to be on a 2025-2026 IDT Competition Team that will be the best fit – Challenging, but not overwhelming. This will create the best learning environment producing successful progress for teams as well as individual dancers. Dancers can receive invitations to multiple teams from taking ONE team placement masterclass. Each dancer should register for the team camp for their age group (3-4 Mini, 5-8 Junior Team, 9-11 Gold Team, 12-18 Black Team)

****Summer Requirements for Team Members**** **Each dancer needs to register for At Least (1) 3-day Summer Team Camp and 1 weekly class. **Current Team members- this is a great audition experience and an opportunity to be evaluated by a new choreographer.

****Some may be ready to be invited to multiple teams.**
